ABOUT US

Our company, which we established in 2018, is growing rapidly every day. Our creative team consists of women, and our quality home textile products have quickly reached a very good point with your appreciation. By reflecting our emotions to our designs in the making of each product, we strive to make the products we create unique. With our friendly and artistic masters and craftsperson, we have adopted it as a principle to offer you products by adding all our love and sincerity in it. We know the amount of labor and time spent, so this automatically increases the value of our handmade products. We create new, extraordinary identities for your living spaces with our high quality, stylish and trendy home textile products and our product range such as

tablecloth groups, american services, runners, pillows and cushions. With an original and innovative approach, we continue to maintain functionality by making personalized designs since the day we were founded. Our greatest motivation is that our inspiring and stylish products accompany happy and peaceful moments that you will spend with your loved ones in your homes. As Haze Design Lab, our aim is to create an inviting atmosphere in your homes with its living identity and to appeal to the lifestyle and emotions of the consumers with new and creative ideas that keep up with the time. As women entrepreneurs in our lovely workshop, our most important company policy is to embrace innovations with safe, honest and fair business ethics.

Why Kahlo ?

We see Frida Kahlo, one of our sources of inspiration in our lives, as a idol. Having a well-established ideology that every woman should assimilate her as a role model, Frida showed the world both physically and emotionally what a woman can do, because she was a versatile and sophisticated woman who never gave up. Maybe I'm a tough woman but there is a mighty heart inside of me that I can't imagine.

The image displays a variety of decorative pillows and cushions. In the foreground, a large pink cushion features a portrait of Frida Kahlo wearing a white embroidered blouse and a colorful beaded necklace. To its right, a smaller red cushion also depicts Frida Kahlo, this time with a floral headpiece. Behind these, a yellow cushion is visible, and to the right, a blue and white striped cushion with a floral pattern. The background is filled with more colorful fabrics and patterns, creating a vibrant and artistic display.

CERTIFICATE

The company

Korteks Mensucat San. ve Tic. A.Ş.
Organize Sanayi Bölgesi, Sari Cad. No. 3
16140 Nilüfer - Bursa, TURKEY

is granted authorisation according to STANDARD 100 by OEKO-TEX® to use the STANDARD 100 by OEKO-TEX® mark, based on our test report 20.0.11728

for the following articles:

Raw white yarns produced from polyester, cationic dyeable polyester, easy dyeable polyester, recycled polyester (from PET bottles), elastane covered polyester, PBT and PLA as well as optically brightened, dope dyed and disperse package dyed (also in neon pink) yarns produced from polyester, with and without UV treatment, partly produced with chips having flame retardant properties accepted by OEKO-TEX®; produced by using materials certified according to STANDARD 100 by OEKO-TEX®.

The results of the inspection made according to STANDARD 100 by OEKO-TEX®, Appendix 6, product class I have shown that the above mentioned goods meet the human-ecological requirements of the STANDARD 100 by OEKO-TEX® presently established in Appendix 6 for baby articles.

The certified articles fulfill requirements of Annex XVII of REACH (incl. the use of azo colourants, nickel release, etc.), the American requirement regarding total content of lead in children's articles (CPSIA), with the exception of accessories made from glass) and of the Chinese standard GB 18401:2010 (labelling requirements were not verified).

The holder of the certificate, who has issued a conformity declaration according to ISO 17050-1, is under an obligation to use the STANDARD 100 by OEKO-TEX® mark only in conjunction with products that conform with the sample initially tested. The conformity is verified by audits.

The certificate 02.T.2483 is valid until 31.05.2021

Bönnigheim, 17.06.2020
