# About Us

## *Haze Design Lab*

Our company , which we established in Istanbul in 2018, is growing rapidly day by day

With our creative team consisting of women , our quality home accessories gained momentum with your appreciation and reached a successful point

We have adopted the principle of presenting products to you by adding all our love and sincerity to you with our warm blooded and artistic masters and craftsmen

We strive to make our products unique by reflecting our sentiments on our designs in the making of each product

We create new and extraordinary identities for your living spaces with our high quality, stylish and trendy home accessory product range ,

As the dealer of Annie Sloan Chalk Paint Istanbul branch , we professionally manage our products designed with this special paint with low VOC value , with the management of warehouse shipment areas , logistics process tracking , and loading operations

With an original and innovative approach , we continue to maintain functionality by making personalized designs since the day we were founded

As the amount of effort and time spent are huge , this automatically increases the value of our handmade products

The happy and peaceful moments you will spend at home with your loved ones with our inspiring and stylish products is our biggest motivation

# About Us

## Haze Design Lab

As Haze Design Lab , our aim is to create an inviting atmosphere in your homes and appeal to the lifestyle and emotions of its consumers with new and creative ideas that catch the time.

The most important company policy in our adorable workshop with our women entrepreneurs ; is to embrace innovations with safe , honest and fair business ethics

### Company Goal

To give direction to the sector with our products produced in international standards , with our innovative and creative activities

Participating in social projects whenever possible

Respecting the rights of interested parties and national / international laws and regulations by aiming at profitability

### Company Vision

To continue our activities , which we started by using and expanding our knowledge and expertise in the best way possible

To reach higher limits in total customer satisfaction

Investing in the future with the understanding of sustainability
